Bylaws

The President will appoint a committee to write the bylaws which will be submitted at the next meeting.

Bike Lights

The President talked about the bike lights, primarily explaining about the use of the lights and the use of the money derived from the sales of the lights. As there were many new people at this meeting this information was most informative.

Opinions

The new people were asked why they were at this meeting and what they wanted out of a bicycle club. The following were some of the opinions:

I like to ride a bike and I like to camp; I feel your group provides both

I am interested in your recreational aspects, information

I like to ride a bicycle and am interested in finding this route where I can ride without so many cars

I will be teaching juniors & seniors at Arlington High School; through the physical education dept. The course is on bicycling. I am here for information

We are looking for something to do as a family

It is boring riding around the block, I 'm looking for different areas.

Attendance

There were 22 people at this meeting.
