Dear Mr. Gain:

This will acknowledge, with thanks, your reservation to tour the Schwinn factory on Tuesday, August 21 at 7:30 p.m. We are pleased to confirm this reservation on the date and time which you have requested.

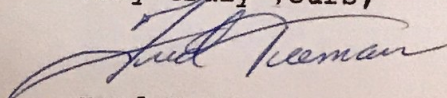

Your group tour will originate at 1718 N. Kildare Avenue, where you will be met by a tour guide at the main entrance to our production facility. Your tour guide will briefly discuss what will be seen during the tour and, while passing out required safety glasses, will explain our plant safety rules.

The success of a tour can depend to a great deal upon the cooperation given to the tour guide by the group members. Your cooperation will be appreciated in helping us make factory tours safe and enjoyable for everyone.

Occasionally, due to unforeseen circumstances, it becomes necessary for a group to cancel their reservation. As we do maintain a waiting list and try to accommodate as many groups as we can each year, we ask that you advise us immediately if your group must cancel or postpone their tour. Our Schwinn Factory Tour Reservationist can be reached by calling (312) 227-3000, extension 277.

Thanks once again for your reservation and please feel free to call us if you have any questions.

Very truly yours,

Fred Teeman  
Consumer Relations
