Arlington Heights Bicycle Assoc.

Dear Mr. Devoe,

We are interested in participating in a bicycle club that has family rides on week ends, as well as a few special events. If your group welcomes people from other <sup>towns</sup> ~~towns~~ and has such a program please give me particulars so we can arrange to join you a few times and see how it goes.

Sincerely,

Clarence Albertson

Dear Mr. Albertson,

We welcome anyone who enjoys family biking. We have about thirty families and six adult members.

Our club meets at Recreation Park, 500 E. Miner Street, Arlington Heights at 8:00 P.M. Our summer meetings are informative on our upcoming rides. Our winter meetings are more social and we have a guest speaker, movies, slides, etc.

Our schedule starts out slow and includes some longer rides in conjunction with other clubs. We have local one day rides; and rides where we transport our bikes and stay overnight in either motels or camping.

We have family memberships with dues of \$3.00 per year and single adult (18 years) for \$1.50. This includes our patch and a monthly newsletter.

Hope you find us interesting and come to find out more.

I have enclosed our ride schedule.

Sincerely,

Jean Gain, Secretary  
AHPDBA
