Dear Sirs,

As the secretary of our bicycle club many of our members are interested in getting the Presidential Sports Award in bicycling.

Our group of over ninety cyclists is primarily a social family organization. But at least one third of our group uses the bike as transportation as well as recreation. We think that working for this award would be a goal in our bicycling.

Would you please send me 30 of the personal log books so that I may give them to those that are interested.

Thank you very much.

Sincerely,

Jean Gain, Secretary
